The Weekend Away 2017

24th-26th November

Gilwell Park,
Chingford,
Essex,
E4 7QW

This year's Twenties & Thirties Weekend Away is taking place on **24-26 November**. Once again we're off to leafy Gilwell Park which is a great centre, with comfortable accommodation at a fantastic price, lots to do and set amidst a rather nice little slice of countryside.

This weekend away we'll be thinking together about **Facing our fears**. The Bible promises us peace but so often we lack peace of mind. How does being a Christian help us when we come to those things in life which scare us? What about the fear of others? The fear of missing? Fears about the future? This promises to be a really practical weekend's teaching on topics which affect us all – if you're human, this will be great stuff for you to think about!

We're really pleased that **Jonny Clifton** is coming to speak for us. Many of you will know Jonny as we was previously an Assistant Pastor at Spicer Street! He's now based down on the south coast working for Christ Church Southampton. He's very excited about being back at Gilwell and 'seeing y'all' (his words, not ours).

There'll be plenty of time to relax, eat (*Bumni, our professional caterer friend is back!*), drink, play, rest, chat and all the usual trimmings of a weekend away together, including a games-aganza on the Saturday night!
