## Acts 10

There are lots of special days when we remember and celebrate important things - can you write or draw some?

Blank space for writing or drawing special days.

What does he say would be a good idea for a new special day?

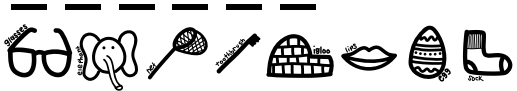

-----  
day...

...celebrating the day we read about in Acts chapter 10, when the

came to the

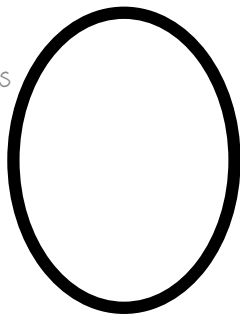

Listen carefully to what Greg says, fill in the gaps and draw what happens...

**1** P\_ \_ \_ \_ travelled from town to town. He went to Joppa and raised Tabitha from the d\_ \_ d.

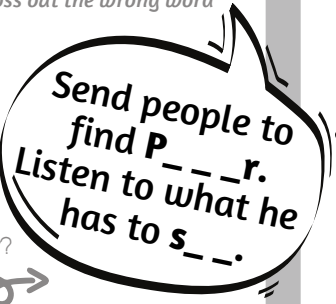

**2** An an\_ \_ \_ appeared to a man called Cornelius, who was a Jew / Gentile.

*cross out the wrong word*

How did Cornelius feel?

What did the angel say?

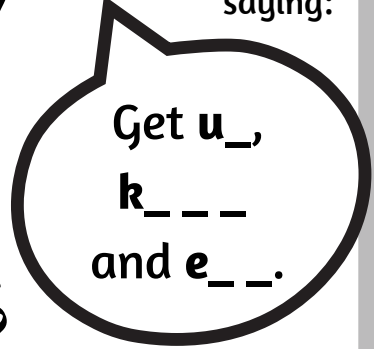

**3** Peter was up on the r\_ \_ f, praying. He got h\_ \_ g\_ \_ y. He saw a vision of a sheet coming down from heaven, full of all kinds of a\_ \_ m\_ \_ s.

Colour in or circle any animals that you hear Greg mention:

He also heard a voice saying:

But there were lots of rules in the Old Testament about what God's special people could and couldn't eat, so Peter said yes / no.

But the voice said:

Don't call anything \_\_\_\_\_

that God has made \_\_\_\_\_.

Then **thr\_\_** men arrived at the door looking for **P\_\_\_\_\_**. He invited them in.

**4** Peter and the men set off to go to Cornelius' house. His **fr\_\_ds** & **f\_\_ily** were there, ready to listen to Peter.

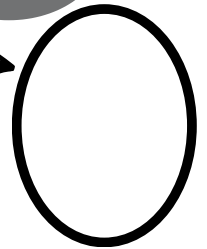

**5** The Jewish Christians back in Jerusalem heard about it.

At first, what did they think about what had happened?

Peter told them about **J\_\_\_\_\_**, they received the **H\_\_y Sp\_\_t** and were **b\_p\_\_s\_d**.

But when Peter explained, they **pr\_\_ed G\_\_!**

THANK YOU

We should **give th\_\_ks** to **God** for what happened on "Cornelius day"!

- Who sent the angel to Cornelius? \_\_\_\_\_
- Who gave Peter the vision? \_\_\_\_\_
- Who tells Peter to go with the men? \_\_\_\_\_
- Who sent the Holy Spirit? \_\_\_\_\_

God is the one working powerfully to make sure the gospel goes to all nations.

We can remember that God was saying to Peter: "You can **e\_t** **a\_\_thing** with **a\_\_one**, and the **g\_\_p\_l** is open to **e\_\_\_\_\_one**."

**A\_\_one** from **a\_\_where** in the world can be in God's family.

We should remember that the gospel is the **s\_\_\_\_\_** for anyone and everyone - because it's all about **J\_\_\_\_\_**.

Chat with a grown up

1. Show them your sheet!
2. Ask about anything you didn't quite understand...
3. Talk together about these questions:
  - What did Peter learn about who can be in God's family?
  - Why is that good news for us?

**Pray with a grown up:** You could **thank God** that he made sure the good news about Jesus went all over the world, so that no matter who we are or where we're from, we can hear and believe and be forgiven, just like Peter and Cornelius.
