Every week we're going to see how one more of those words helps us remember and understand one more bit of the Bible's one big storyline!

### DID YOU SPOT IT?

How many books of the Bible are there?

6

66

666

But who are they ALL about? .....

Do you think most people would think that the Bible has one big storyline?

How would you start a story?

We'll see how God starts his big story next week - see you then!
