

THE BIG BIBLE STORY

Week 5: passover

My name is:

Can you find a way out of the maze, from slavery in Egypt to safety?

Hint: you won't be able to unless you go through the lamb!

Remember what we learned in our true Bible story today? God was keeping his promises to Abraham by rescuing his people from Egypt. But the only way they could be safe from his judgement was by trusting the blood of the passover lamb.

DID YOU SPOT IT?

All of these words describe the LAMB whose blood kept God's people (the Israelites) safe. But can you circle the ones that also describe JESUS?

a sacrifice perfect ("without defect") fluffy died to save

The lamb was God's way of rescuing his people the Israelites from being slaves in Egypt. But what does Jesus rescue us from?

Why do you think Jesus had to be perfect to be able to rescue us?

If you were one of the Israelites, how do you think you would feel about God after he rescued you?

Next week, we'll see what the people do next - see you then!
