Colossians
1:9-14

We are learning about how we can *pray* for each other.

It's wonderful that even while we can't go out and see our church family much at the moment, we can still pray for each other, because God is **with us**, he's **listening** and he's **in charge**. And in the Bible, God tells us some great things to pray...

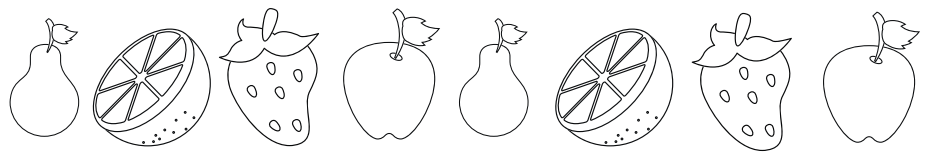

Listen carefully to Greg and colour a picture when you hear him say the right word. (So, if Greg says "pleasing God", colour in a smiley face.)

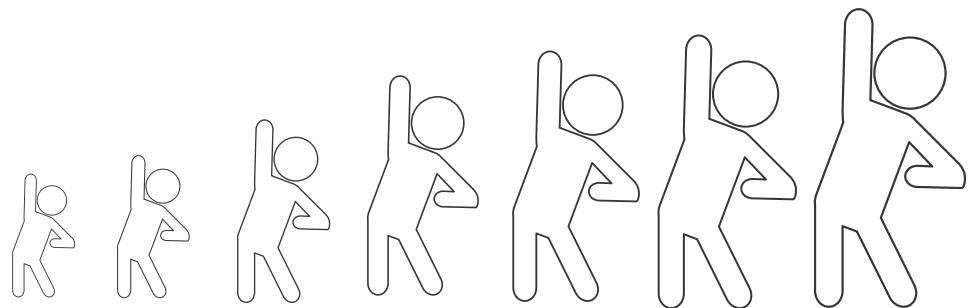

...to help us
please him

...to help us
bear fruit

...to help us
grow to know him

...to help us
keep going by his power
